Character Shield Directions

1. Draw a shield similar to the example on a piece of notebook paper; this will be your **ROUGH DRAFT**.
 2. In the top left hand corner, draw three pictures that symbolize important events in your life.
 3. In the upper right hand corner, draw a symbol of somewhere you have lived or where you are living now.
 4. In the lower right hand corner, put a quote that describes you or is one of your favorites.
 5. In the lower left hand corner, put a symbol that describes what you are really like on the inside or something that no one knows about you.
 6. In the center of the shield, draw an object that BEST identifies you (phone, shoe, pickup, ring, TV, book, etc.) and your personality type.
 7. Transfer your **ROUGH DRAFT** onto a piece of **TYPING PAPER** or **POSTER BOARD**.
 8. These shields can be hand drawn, in collage form using magazines or done using a computer. Be **PROACTIVE** and do the best you can and just like in life everything will work out great 😊.
