Fill in the table below for every problem you did not do or did incorrectly that is part of any objective you wish to or need to reassess. Use your resources: provided solutions, the textbook, classmates, the teacher, the Internet, etc. to help you. When this form is completed, staple it to the front of your assignment and turn it in along with the corrected assignment in order to receive your reassessment points.

Problem number.	Why. Explain in writing <u>why</u> the problem was marked wrong or why it was skipped.	How. (1) Show <u>how</u> to do the problem correctly – put the complete correct solution and ans. (2) Where did you find the correct answer? (textbook page #, etc.)	What. Explain in writing <u>what</u> you have learned.
